

## **Esperanza School Room Parent Position Questionnaire:**

Dear Esperanza Families,

If you are interested in being considered for a volunteer Room Parent position, please read and answer the following questionnaire. Please copy and paste these questions in an email and email your responses to:

[alexandracouvaras@esperanzaschool.com](mailto:alexandracouvaras@esperanzaschool.com)

This can be a fun position but also requires a time commitment, writing abilities, and even some mediation skills at times. We have noticed that many more of you are interested in helping out the teachers and yet there are only 2 positions per class. This year we want to meet with all the interested parties in small groups to discuss the parameters of this volunteer position and then we will make the decision for each class.

Between the Fall Festival, Christmas programs and fundraisers for the Magical Gardens, we have to find time to have fun, too!

Thank you for participating in this questionnaire. We look forward to spending time with you.
